

Questionnaire for Parents and Carers - Autumn Term 2017

I think Benington is a great school.

We have felt very included and welcome here... Thank you.

Very pleased with my children's progress.

Q 8 & 9 - I have not heard any negative comments from my child or other parents, so assume the school are performing well in this area.

My children love school.

The new head teacher seems really nice and has dealt with a problem I had really well.

My child is really happy at this school, although there are sometimes some friendship issues.
