

Benington School Homework – Beech Class – First half Autumn Term B

<p>Activity 1 Maths Practise telling the time on analogue and digital clocks. You could make a poster to teach a younger child or find online games, Stop the Clock is a good example.</p>	<p>Activity 2 Topic Our topic is Stone Age to Iron Age. Please make a leaflet, booklet, poster or Power point to share some interesting information.</p>	<p>Activity 3 Have a week off to spend time with your family. If you would like, you could bring in photos to show what you've done.</p>
<p>Activity 4 Maths Practise measuring to cook a cake or your family dinner. Can you make it healthy? Look carefully at the scales and make sure you can read ml and g. Can you convert from ml to l and g to kg? You could do online converting practise. Top Marks has some games you could explore.</p>	<p>Activity 5 English Choose a newspaper/magazine article/online news item to read and write down 5 questions you could ask the author/journalist that wrote it.</p>	<p>Activity 6 PE Do something active this week. For example; you could go for a walk in the woods, go for a bike ride or a park run. Write about what you did – you could write it as a diary entry.</p>
