(in this video, the teacher says 'year 2' at one point. This is actually a year 3 unit)

Can you make a table with 2 columns. In one column, put the heading 'Sources of light' and in the other put the heading 'not sources of light' (as below).

Sources of light	Not sources of light

Complete the table by writing/drawing pictures in the correct column. Where on the table would you put the sun? How about a mirror? The moon? A lit candle?
