

*Inspiring pupils to reach their full potential in our
Christian Family through
trust, respect and care for all.*

Our School value this half term is Generosity

Benington C of E Primary School

Newsletter 11th September

Dear Parents/Carers,

Our assessment week has gone well. You'll be getting the results next week along with a target for your child.

Reminder for Facebook and Website permissions

Please email back confirmation as soon as possible. At the moment we have no permission for any of Acorn Class and less than 20 have given permission across the school. We are hoping to film our first BOBs and Bees next week, but without your permission this will not happen. If we do not receive more replies, we will just celebrate in class and will not film.

Remote Learning

Home school agreements have gone home. Please read, sign and return this as soon as possible. In line with government policy in the event of shielding, lockdown or isolation we will set remote learning for your child.

After School Club

ASC is nearly at full capacity now. This will be starting on Monday 14th. Kelsey, Donna, Zanie and Chloe are looking forward to welcoming you back.

Hexagons

The hexagon board is looking great. I'll continue sharing your child's successes with you.

Congestion

It has been brought to my attention that the pavement from the parish hall to school is getting very congested. I know the pavement is very narrow in places and it can be challenging to maintain social distancing. Please be considerate of others and wait on the road for people to pass wherever possible. Thank you for your support in this matter.

Lunches

Please see Parentmail for an up to date menu. It would be really helpful if you could talk to your child about their lunch preference before school.

Our Vision through our Mission Statement

"Inspiring pupils to reach their full potential in our Christian family through trust, respect and care for all."

Mr Priddis generously made our new bookshelves. The Y6 leavers paid for one shelf and he paid for the other shelf. They look very smart and have created much more space. We are grateful for the generosity of our families.

Have a lovely weekend

Mrs Tyler
