Enrichment

This week Beech Class went on a well being walk. This was a chance to take time out of school and enjoy the world around them.

Most of the school visited the Secret's room to choose a present for their mum. Thank you FOBs for all your work with this.

In today's celebration assembly we'll be singing a mother's day song the children have been working on with Mrs Welch. The choir will be sharing this at church on Sunday, too.

Please save the date 23rd April for our famous FOBS adults only quiz.

Absences

If your child is absent for any reason please let the office know by 9:30. Please ensure that you do this even if you've let your child's class teacher know. Our preferred method is Parentmail. Please don't phone if you can avoid it as messages aren't always getting through. Thank you

COVID

Please continue to let school know if your children test positive for COVID. There is remote learning on the website if you need it. Please see the latest government advice for more help.

Safeguarding

Parents have been seen parking on the yellow zig zag lines. These are there for everyone's safety. Please do not park here for any reason.

The leak outside the school is due to a build up in the storm drain and is the responsibility of Herts County Council. I've emailed them about making this a priority for our children's safety. It would be great if others could email them too.

Thank you
