Inspiring care, respect and trust for all, in our Christian Community

Enrichment

Acorn Class visited Mark in the church. He led a workshop on the church as a home. We introduced our new forest school inspired break times. The children have had lots of fun playing with the tyres you've donated. Thank you for supporting this so enthusiastically. If you see any play houses for cheap or free please let me know. I have a small budget for some more.

Our Rock Steady children entertained us with an end of term concert. Connor came and led a Mindful Mats activity with Willow Class. Their feedback was very positive. The whole school went to church to lead an Easter service. Oak Class retold the Easter story through text messages. We had an Easter egg hunt and the children all got an Easter egg from FOBs.

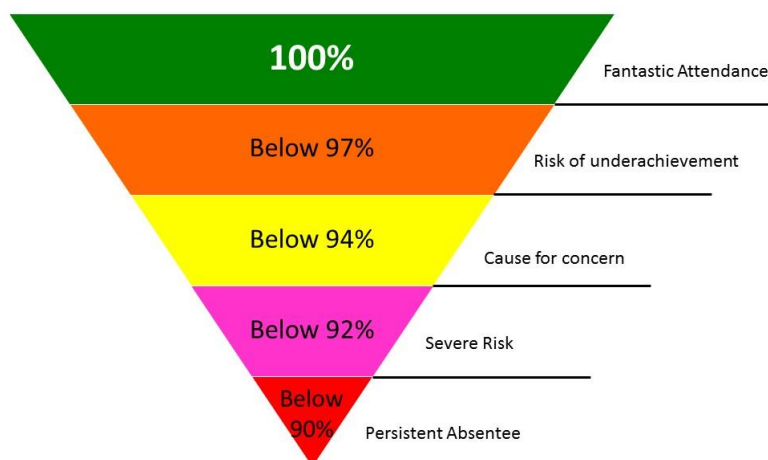

Attendance

94.8% overall this week 94% overall this year (94% national average)

4.3% authorised 17.2% persistent absentees this year

3% unauthorised 1% late this year – Please note that school starts at 8:45

Please be aware that term time holidays and low attendance could incur a fine this year. Please make routine appointments for the dentist, optician etc outside of school time as this can also have a detrimental effect on your child's attendance. Thank you

Safeguarding & Health and Safety

We now have a new system for reporting bumped heads. Instead of getting a phone call for a minor bump you will be emailed. Information about monitoring your child will be included. We will continue to phone for any serious head bumps. First aid slips are now on coloured paper. Please check your child's book bag.

Emails

Please be aware that if you email staff during the school day it's unlikely they'll respond. If you have an urgent request such as a change as to who is collecting your child, please email admin instead.

Absences

If your child is absent for any reason please let the office know by 9:30. Please ensure that you do this even if you've let your child's class teacher know. Our preferred method is Arbor. This saves the office phoning you. If your child is off sick for more than 3 consecutive days we will be asking for medical evidence.

Uniform

We have lots of uniform available free of charge. You can just come to the front of school after drop off and go through to the Sycamore Room and help yourself.

Sports

We have a dedicated sports board in the corridor. We use this to share success in sport such as earning swimming certificates, passing a ballet exam or earning a medal in football. Please send in a photo of your child with an explanation of their achievement and we can add it to the board.

Date	Time	Event	Information
