

*Inspiring pupils to reach their full potential in our
Christian Family through
trust, respect and care for all.*

Our School value this half term is Generosity

Benington C of E Primary School

Newsletter 2nd October

Dear Parents/Carers,

Walk to School week

Next week is walk to school week. Lots of you are already walking which is great. Maybe next week if you live too far to walk you could park a short walk away and walk the rest.

Illness

This is the time of year when children often develop coughs and colds. If you are at all unsure whether your child might be displaying COVID-19 symptoms, please phone 119. There is also lots of advice on our website. We realise it can be very frustrating keeping your child off school, but we must follow government guidelines. Thank you everyone for being so sensible at following advice and keeping us updated.

Ned's Mindset Mission 7th October

We have been invited to take part in a live Zoom from America all about improving our mindset. More information to follow soon.

Nasal Flu Immunisation

If you haven't returned your permission form and would like your child to receive this, please return it ASAP.

Prospective Parents' Film

Thank you so much to everyone who has given their permission for their children to be in our short film. We're looking forward to show casing our lovely school. It's the first time we've done anything like this so we're feeling quite excited. Filming will be taking place next week.

Harvest

If you can deliver a harvest box to someone in Benington next Friday 2nd or Monday 5th please let the office know. We only have 3 volunteers so far and a lot of boxes to deliver. Thank you

Rising Stars

Mr Webb's multi sports club is starting after half term. Please contact Rising Stars directly if you'd like a place. Monday will be Oak and Beech and Tuesday Acorn and Willow. Spaces are very limited already so you'll need to be quick.

Medication

Children in KS2 can bring in a single dose of medication such as Calpol melts or sachets for self-administration. If you wish your child to self-medicate please send it in with a signed note explaining what time they can take this from and the dosage.

Contacting Staff

All staff email addresses are now on the website. Please email your child's class teacher directly with any class issues. Please be aware that they are teaching during the day and will not be able to read or respond to communications until the end of the day. If it's an urgent matter, please email admin or phone the office.

Our Vision through our Mission Statement

"Inspiring pupils to reach their full potential in our Christian family through trust, respect and care for all."

This week in collective worship we focused on St Francis of Assisi. We thought about how his care for animals inspired others.

Have a lovely weekend
Mrs Tyler
