

Inspiring pupils to reach their full potential in our Christian Family through trust, respect and care for all.

Our School value this half term is Respect.

Benington C of E Primary School

Newsletter 28th June 2019

Dear Parents/Carers,

Please keep your eye on the calendar at the bottom of the newsletter for the final events of this term.

Intervillage Sports

Intervillage sports took place at Aston St Mary's School on Tuesday 2nd July. We had a great morning and the weather conditions were excellent. Benington came first and won the Key Stage One trophy and Key Stage Two came third which is fantastic. The sporting attitude demonstrated by the children was amazing. Well done to all and thanks to Aston School and Rising Stars who hosted and ran the event.

Gulliver's Land

The whole school are off to Gulliver's Land on Tuesday 9th July. Please check that you have provided your child with everything that they need and remind yourselves of arrangements for the day.

Transition Day

On Thursday 11th July, children will experience what it will be like in September. Children in Willow will get to meet their new teaching assistant, Miss Gemma Rush. Willow children have already been working with Miss Whiskin, the new class teacher for September, as she has been coming in to get ready for the new year.

Benington Bees

Children who have tried hard to incorporate the Thought of the Week and value into their learning are Yasmin in Acorn, Harrison and Thomas in Willow, Ava and Kaiden in Beech and Rebecca and Lucy in Oak. Well done to all our Benington Bees.

Contact Details

If you have any change of circumstance e.g moving house, new job etc. please can you ensure that you let the office know immediately so that they can update their records?

Viking Workshop

Beech Class took part in a Viking workshop today. They learnt all about how Vikings lived and what their traditions were. They were able to take part in re-enacting elements of Viking life.

Waterford

Oak Class had a great time splashing around in the river at Waterford on Thursday. This was an enrichment activity which links to their topic of the water cycle.

Extra Celebration Assembly- reminder

This is to remind parents that we are having an extra one-off assembly to ensure that we have covered all our BOBS, Bees and hexagons until the end of term. This will be held on Friday 12th July at 2.45. Following the assembly there will be a sale of second hand uniform.

Maypole- reminder

Just to remind parents that children will be taking part in maypole dancing at the Village Fair on Saturday 13th July. Please come along and support us.

Reading Books

These are being collected in from Monday 8th July so children won't be bringing home books from this date. Please ensure that your child continues to read their own books at home. Acorn Class have had their books collected in today.

Social Aspects of Respect

We teach the children to have respect not only for people but for their environment. We want everyone to be proud of our school and as part of that, respecting property and looking after things are really important. Children are reminded to look for ways to show respect within the school building and this could be something as simple as picking litter up off the floor.

Our Vision through our Mission Statement

The KS2 play is looking really good and the children have been working hard in rehearsals. Although we are still working hard in class, it has been a great opportunity for children to practise and show other skills that they have. It is also a great confidence booster to act and sing on stage. I have been really impressed by the dedication of the children to learning their lines and the words to the songs. There are some great costumes too. We are all looking forward to the productions and watching all the hard work come together. Please don't forget to come to the school office to get your tickets for this event.

Attendance this week

The school's attendance target is for 96% attendance minimum.

Oak- 98%

Beech- 98%

Willow- 98%

Acorn- 97%

"You will never gain anyone's approval by begging for it. When you stand confident in your own worth, respect follows." — Mandy Hale

Have a lovely weekend

Mrs. Swann - headteacher
