Family through
trust, respect and care for all.*

Our School value this half term is Generosity

Benington C of E Primary School

Newsletter 9th October

Dear Parents/Carers,

Non-School Uniform

We are having a non-school uniform day on the 23rd October. Please bring £1 to school. This will go to FOBs (Friends of Benington) who provide lots of extras for the children.

Bags For School

The next collection date is the 13th November. Bags will be collected from the front of the school.

Illness

This is the time of year when children often develop coughs and colds. If you are at all unsure whether your child might be displaying COVID-19 symptoms, please phone 119. There is also lots of advice on our website. We realise it can be very frustrating keeping your child off school, but we must follow government guidelines. Thank you everyone for being so sensible at following advice and keeping us updated.

Harvest

Thank you so much for your generosity. Next week each class will be sharing a harvest performance. I'd love to be able share photos with you, but we still don't have enough children with permission granted.

NED Mindset Zoom

This week we took part in our first live online zoom session. The children were excited to learn more about the NED message. If you would like to buy a yo-yo please bring money to school in an envelope. The children can choose their yo-yo towards the end of the school day.

Photographs

Photographs are taking place on Wednesday 14th October. Please ensure your child has the correct uniform on. Lots of children are wearing patterned socks and trainers. Our uniform is plain white or navy socks and smart black shoes.

Benington Online News

If you'd like to receive the village news please email Heather to be included on the mailing list. We contribute to this too. ubbw@hotmail.co.uk

Medication

Children can bring in a single dose of medication such as Calpol melts or sachets for self-administration. If you wish your child to self-medicate please send it in with a signed note explaining what time they can take this from and the dosage.

Contacting Staff

All staff email addresses are now on the website. Please email your child's class teacher directly with any class issues. Please be aware that they are teaching during the day and will not be able to read or respond to communications until the end of the day. If it's an urgent matter, please email admin or phone the office.

Our Vision through our Mission Statement

"Inspiring pupils to reach their full potential in our Christian family through trust, respect and care for all."

Thank you to your generosity in providing harvest goods Feed Up Warm Up will be able to help many vulnerable people. The village community were also very thankful for your generosity.

Our Y6 pupils especially impressed a visiting NHS worker by spontaneously clapping for her when they saw her NHS lanyard. This really touched her and demonstrates how caring our pupils are. 100% said they liked school and felt happy and safe which is fantastic news.

Have a lovely weekend
Mrs Tyler
