

### Oak class remote learning Autumn term first half 2021

This is a stand-alone 5 day block of learning designed to be used if your child has to isolate due to Covid 19, not if they are ill. It links to the learning and topics that we are covering in school this half term.

If any of the maths work is either too challenging or not challenging enough, please feel free to use the year above or below.

If you are home learning, please support your child with their work if you are able to. Please select three pieces work from different subject areas to send me over the course of the 5 days, for example a piece of maths, English and art to send to me via email so that I can see what they have been doing. You might chose to send me a word document, a photograph of them working or a screenshot of their finished piece of work. If there are any questions, please do not hesitate to email me at [julia.beaven@benington.herts.sch.uk](mailto:julia.beaven@benington.herts.sch.uk)

We expect all children to read for at least 20 minutes each day and to practise their spellings and times tables.

#### Worship

For these of you wishing to engage in a daily act of worship, please see the collective worship planning in the remote learning section of the school website.
