

Oak class remote learning. Summer term second half 2021

This is a stand- alone 5 day block of learning designed to be used if your child has to isolate due to Covid 19, not if they are ill. It links to the learning and topics that we are covering in school this half term.

If you are home learning, please support your child with their work if you are able to. Please select three pieces work from different subject areas to send me over the course of the 5 days, for example a piece of maths, English and art to send to me via email so that I can see what they have been doing. You might chose to send me a word document, a photograph of them working or a screenshot of their finished piece of work. If there are any questions, please do not hesitate to email me at julia.beaven@benington.herts.sch.uk

We expect all children to read for at least 20 minutes each day and to practise their spellings and times tables.

Worship

For these of you wishing to engage in a daily act of worship, please see the collective worship planning in the remote learning section of the school website.

Summer term first half – week 1

DAY	Morning work	English	Year 5 maths	Year 6 maths	Foundation subjects	
Day1	Read for 20 minutes. Log onto your Doodle account and either go onto Doodle maths or Doodle English.	To engage with a poem - first impressions https://classroom.thenational.academy/lessons/to-learn-about-a-poet-and-engage-with-the-poem-for-first-impressions-6hhk0t	Interpreting line graphs https://classroom.thenational.academy/lessons/interpreting-line-graphs-cmr3ec	Adjusting addends. https://classroom.thenational.academy/lessons/adjusting-addends-c5gpct	Science Set up an investigation to see how long a puddle of water takes to evaporate outside. Set up 3 different puddles on a hard surface like paving. <ol style="list-style-type: none"> 1. 2 teaspoons 2. 4 teaspoons 3. 8 teaspoons How long does each one take to evaporate? You could repeat this on different days in different temperatures to see if the times change.	
Day 2	Read for 20 minutes. Log onto your Doodle account and either go onto Doodle maths or Doodle English.	To use strategies to understand key vocabulary https://classroom.thenational.academy/lessons/to-use-strategies-to-identify-key-vocabulary-and-begin-to-understand-the-poem-further-6cw38t	Reading line graphs https://classroom.thenational.academy/lessons/reading-and-interpreting-line-graphs-cgktd	Same sum with larger numbers. https://classroom.thenational.academy/lessons/same-sum-with-larger-numbers-cw68d	PE Do something active for at least 20 minutes. You might go for a walk or a bike ride or play a physical game in the garden. Yoga is fun and there's a good link for some yoga to try. https://www.youtube.com/	PSHE We are thinking about money this half term. If you had a million pounds to spend, how would you spend it? Research the actual cost of things and decide the best way to spend the money and what would have the biggest impact on your life.
